

# Welcome to \*-----\* FIRST GRADE

Dear First Grader and Family,

My name is Nancy Hannon and I am so excited to be your (or your child's) First Grade Teacher! I hope you are having a wonderful summer! I can't wait to hear all about it! I am enjoying the summer by going to the beach, reading, relaxing, bird watching, taking long walks, playing with my two cats, Lenny and Cleo, spending time with Mr. Hannon and visiting my two sons, Thomas and Chris.

On the first day of school, Wednesday, September 1st, you are welcome to bring in a favorite stuffed animal with you. I will also bring in mine! If you forget to bring in a stuffed animal, no worries, I have extras in our classroom.

Please bring a snack to school every day, even on the first three days of school.  
Daily snack and lunch information is posted on our Classroom Web Page.

Also, on that first day of school, try to send in the First Day of School Supplies with your child. The list of First Grade Supplies is a separate link on the left side of this Classroom Webpage. See my notes for our class at the bottom of the School Supplies document.

In First Grade, you will make new friends, have classroom helper jobs and become a stronger reader, writer, mathematician and scientist! I am so excited to begin this learning journey with you!

Enjoy the last weeks of summer with each other! I can't wait to hear about all of the fun you have been having! I am looking forward to a wonderful year ahead!

Love, Mrs. Hannon
