Dr. Sherlita Amler, M.D., M.S.
Commissioner of Health

January 11, 2022

To: Westchester County School Superintendents

I am in receipt of Dr. Mary Bassett's January 10, 2022 letter to School Administrators and Local Health Departments.

The Westchester County Health Department is waiting for further guidance on items 2a and 2b.

The Westchester County Health Department adopts 2c, test-to-stay, as revised by the NYS DOH.

The Westchester County Health Department is adopting item 2d as articulated in the January 10th letter.

A summary of the CDC isolation and guidance is attached as well as a link to the CDC guidelines on isolation. As we get additional guidance, we will share it with the schools in Westchester.

Sincerely,

Sherlita Amler MD

Dr. Sherlita Amler, M.S., M.D., Commissioner, Department of Health
