

SCSD Personal Learning Device - Worth Ave Insurance Coverage

Somers Central School District has partnered with Worth Ave to offer parents the opportunity to purchase insurance protection for their students’ school assigned learning devices. Parents will have the option to purchase the policy, **one per student device**, each year. This insurance is not mandatory, however, it is highly recommended. The policy is available for purchase for all SCSD student devices, and the coverage period will begin on September 1, 2022 and end on August 30, 2023.
