## MRS. REGULBUTO'S CLASS

July/ August, 2022

Dear Families,

Welcome to the new school year! A wonderful year lies ahead of your child. My focus this year will be to build your child's self-esteem, social skills and independence as well as promote his/ her academic performance.

We will have some incredible teaching assistants working with our class. They are very important members in assisting in the success of our program. There will share responsibilities such as: small group / individual remediation, center-based learning, inclusion support, lunch/ recess help and much much more. We can't wait for you to meet our support team! They are amazing.

This year we will be partnering with Ms. Malinak, Mrs. Loptka and Mrs. Edwards' classes. We are looking forward to these partnerships and being a part of the general education classroom experience whenever appropriate. The supplies below will be utilized in Mrs. Regulbuto's classroom to support students.
