Acceptable Use of Technology Acknowledgement Form

STUDENT

I have read, understand, and agree to abide by the Acceptable Use Policy, and its guidelines relating to Internet safety and appropriate use of the school district's technology systems. I agree to follow the rules the district and my teachers set for me while using technology and technology systems. I understand that any breaking of these rules may mean that I no longer get to use district technology. I understand that breaking technology rules goes against the SIS Code of Conduct and that there will be consequences if I do so – including, but not limited to possible discipline.

PARENT OR LEGAL GUARDIAN

As the parent or legal guardian of this student I have read, understand and agree to abide by the school district policies relating to Internet safety and acceptable use of the school district's telecommunication systems. I understand that this access is designed for educational purposes and I will help monitor my child's use of said systems while at home. I understand that the SIS staff will monitor technology use while at school, and if my child is accidentally exposed to controversial materials, I will not hold the school district or its employees or agents responsible for materials acquired on the Internet or through these systems. I hereby give permission to issue an account for my child, allow him/her to use these technology systems and certify that the information contained on this form is correct.
