

## **2019 Recycling Day Celebrates Earth Day**

On April 20, from 9 am to 2 pm, the fifth annual Somers Recycling Day will be held at Somers Intermediate School, 240 Route 202 in Somers.

Residents of Somers can dispose of unwanted electronic waste including key boards, monitors, cords, data cabling, TV's and other electronic devices. Small appliances like coffee makers, microwaves and blenders will be accepted. Recyclables also include washers, dryers and scrap metal, such as shelving, fencing or old barbecue grills.

A \$5 donation per car for the Somers PTA Council is suggested.

Judy Voss, sustainability co-chair for the Somers PTA Council, states "In the past four years, we have raised approximately \$10,000 for the Somers PTA Council and have diverted more than 124 tons of and e-waste and scrap metal from landfills. Throughout the year, the Council uses donations to support educational programs including healthy life-style choices for students."

The 2019 Recycling Day is sponsored by City Carting and Recycling. For more information, contact Michael Fiorillo, 914-906-0120, [mfiorillo@citycart.net](mailto:mfiorillo@citycart.net) .
